Applicant submits with this paper patents, publications, and other materials and information of which it is aware of and which it believes may be material to the examination of this application and in respect of which there may be a duty to disclose. These items have been listed on enclosed FORM PTO-1449 in accordance with the provisions in the Manual of Patent Examining Procedure §§ 609 and 707.05(b). One copy of each of the listed items is enclosed.

It is requested that the listed items be considered in the examination of this application and identified on the list of references cited on the patent issuing on this application. Applicant further requests that an initialed copy of the enclosed FORM PTO-1449 be entered into the application file wrapper and returned to the Applicant with the next communication from the Office in accordance with M.P.E.P. § 609.

The filing of this Information Disclosure Statement shall not be construed as a representation that a search has been made, or an admission that the information cited is or is

considered to be, material to patentability, or that no other material information exists. The filing of this Information Disclosure Statement shall not be construed as an admission against interest in any manner. [37 C.F.R. 1.97(g)]

This Information Disclosure Statement is believed to be filed within three months of the filing date of the application or the date of entry into the national stage of an international application or before the mailing date of a first Office Action on the merits, whichever occurs last. [37 C.F.R. 1.97(b)]
